1. Attached are 3 photographs of the UPHILL staff:

Reich SCHEER  
Born 15 March 1900 in Stralsund  
Residing Berlin-Karlshagen, Stettinstr. 23

2. UPHILL gave us the photographs for forwarding to you because SCHEER is used by UPHILL on surveillance jobs in Berlin, bases UPHILL and UPHILL, and might turn up in contact with them in the course of any future SOB surveillance of the UPHILL superior.

3. On 8 August Photos handwritten to SOB photographs of the UPHILL

Alfred SCHUCHMAN (SCHUELD)  
Born 20 August 1899 in Regau  
Residing Berlin-Spandau, Bruckstr. 40

SCHUCHMAN also knows both UPHILL and UPHILL and is also used by UPHILL Berlin on surveillance jobs. UPHILL recently said it was possible that SCHUCHMAN could have been the unidentified man who met UPHILL at the airport when UPHILL arrived in Berlin on 6 July. We understand that [ ] learned this possibility during his trip to Berlin and that the conclusion of those who participated in the surveillance was that SCHUCHMAN was not the previously unidentified man. We have told UPHILL tentatively that SCHUCHMAN was not the unidentified man and will stick by this unless we hear something further on the subject from you.

4. There is no previous record of either SCHEER or SCHUCHMAN in our files.
